Information on Data Protection	
Company	<p>Corporate name: PALMA PICTURES, S.L.</p> <p>Postal address: Calle Siurells, 4, CP. 07141 Marratxí (Palma de Mallorca)</p> <p>Telephone number: +34 971 226 232</p> <p>Email: mailbox@palmapictures.es</p>
Purpose	<p>How will we use your data?</p> <p>The following Privacy Policy establishes the terms by which we manage personal data at PALMA PICTURES, S.L; this includes any personal data collected through our website https://www.palmapictures.es/, as well as any other data that is handled in our work as a business.</p> <p>PALMA PICTURES, S.L; collects the following personal data for the purposes indicated below:</p> <ol style="list-style-type: none">1. Casting: your data will only be handled in order to classify in the most detailed way possible those who are interested in participating in certain projects, so as to facilitate selection by our clients.2. Property owners: your data will only be handled to record graphic references of the most relevant elements of the properties and enable us to contact you regarding possible projects.3. Production: your data will only be handled to create the necessary documents to organize shoots, putting different crew members from the same shoot in contact.4. Clients: client data will only be handled in relation to creating production documents, newsletters and marketing material.5. Newsletter: your data will only be handled in relation to the distribution of our newsletters and marketing materials.6. Personal data of candidates: data provided by potential candidates on CVs, cover letters, emails or in job interviews will be used to cover possible job vacancies in our company. In the instance of being hired by our company, your data will be used only to manage the labour relationship with PALMA PICTURES, S.L.

	<p>For how long do we store your data?</p> <p>Our databases are used primarily to contact different interested parties, thus the rest of the data may change and be updated frequently. In all cases, we will keep personal data in our systems for the duration of the relation with the interested data subject.</p> <p>For data relating to work, the information will be handled during the professional relationship and once concluded, for the necessary time to respond to possible incomplete requirements. In the case of you having sent us your CV or attending an interview for a job vacancy, your personal information will be stored for a period of one year, after which, having not been selected, the information will be deleted from our systems.</p> <p>The data provided for the distribution of the newsletters and marketing materials will be kept until you notify us of your wish to no longer receive communications from us. You can exercise this right to refuse further communication via the channels indicated in this Privacy Policy.</p>
<p>Legitimization</p>	<p>The legitimization for the handling of data relating to participants in castings, location property owners, and potential crew members is the consent of the interested party.</p> <p>In the case of children under 14 years old, we will not handle their data without the express and prior consent of the parents or legal guardians.</p> <p>Personal information of employees will be handled in relation to contractual obligations.</p> <p>The legal basis for the handling of personal data for the distribution of the newsletter is the consent of the interested party.</p>
<p>Recipients</p>	<p>Release of data to third parties</p> <p>With the exception of legal obligations that can force us to release data to third parties, the personal data of those who participate in our productions may be released to third parties who participate in the same (for example catering service). Apart from these two instances, we will never release personal information to third parties, without the express and prior consent of the data subject.</p>
