SUSTAINABILITY

At Palma Pictures, we work closely with a dedicated sustainability consultant.

Our studio and offices are powered by over 100 solar panels. We also focus on reducing single use plastic waste in the office and on set. Since 2011 Palma Pictures has been EMAS and ISO 14001 certified.

STUDIO

Palma Pictures HQ in Mallorca boasts an impressive 4500m² studio space with a 1000m² sound stage.

The studio and surrounding area also provides state-of-the-art facilities including dressing rooms, make up studios, restaurant and gym.

LOCATIONS

Palma Pictures has Spain and Portugal covered.

With a dedicated team of 7 in-house location scouts, the perfect locations are easily accessible and available to share references quickly with any client request.
